

GINGERBREAD COOKIE SALE

FUMC MINISTRIES IN ACTION

Happy Gingerbread Man

The 2015 cookie sale made it possible for the church to provide Christmas Cookies for people who don't bake or don't have time to bake. It provided a way for people of the church to reach out in service to the community and church. It allowed people who like to bake but don't need or want the cookies a chance to do some Christmas banking. Best of all it raised money for the building modernization project!

Thanks to the 45 bakers and workers, there were over 6,000 cookies total and 120 plates of cookies sold, earning \$1,877 for the building modernization project.
