

PRAYER BLANKET MINISTRY

FUMC MINISTRIES IN ACTION

*Prayers for Healing and
Comfort*

In 2012 we have passed through the congregation 27 prayer blankets. The prayers offered and the blankets given have made a big difference in the lives of those who have received them. Thank you to our Church Family Care for your caring.

The problem with such a ministry is that we may miss the opportunity to pray for and do a blanket for someone. If you know someone who could use prayer and blanket support, please inform the church office.
